

### **2.2.1 The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners**

The College uses monitoring and mentoring to keep track of slow learners' progress. Revision classes and surprise tests are held and additional teaching is taken up if required. Corrected assignments and answer scripts are shared with each student and discussed to enable students to recognize their problem areas and improve. Faculty makes it a point to be patient and accessible to students personally, over the phone, mail, and social apps. Moreover, the wide range of continuous assessment components that include, Daily Home Assignments, Class Assignments, Seminars and Group Discussions, Additional Assignments, Quizzes, Class Tests, Internships, Viva-voce examinations and attendance, enable effective assessment of learning levels of students.

Faculty members and various Committees regularly review the academic progress and counsel students to improve their performance to ensure their academic growth.
